INDEPENDENT AUDITOR'S REPORT

The Board of Directors
BBB Wise Giving Alliance
Arlington, Virginia

Opinion

We have audited the accompanying financial statements of the BBB Wise Giving Alliance (BBB WGA) (a nonprofit organization), which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the BBB WGA as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BBB WGA and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BBB WGA's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BBB WGA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BBB WGA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

The image shows a handwritten signature in dark ink. The letters 'UHY' are written in a large, stylized, cursive font, and 'LLP' is written in a smaller, more standard cursive font to the right of 'UHY'.

BBB WISE GIVING ALLIANCE

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2024 and 2023

NOTE 1 - PURPOSE OF ORGANIZATION

BBB Wise Giving Alliance (BBB WGA) was incorporated under the laws of the District of Columbia on November 14, 1975, and is located in Arlington, Virginia. BBB WGA's mission is strengthening public confidence in charities by promoting wise giving and trustworthy charities practices. BBB WGA completes rigorous evaluations of publicly soliciting charities in relation to 20 BBB Standards for Charity Accountability that address charity governance, results reporting, finances, donor privacy, appeal accuracy and other issues. There is no charge to charities to be the subject of a BBB Charity Report. These reports are available to the public for free on the BBB WGA website at Give.org.

Charities that meet all 20 BBB Charity Standards are identified as BBB Accredited Charities. BBB Accredited Charities have the option of licensing a BBB Charity Seal for a fee. The BBB Accredited Charity Seal can be displayed on the charity's website and fundraising materials. Charity evaluations are updated every two years. Any BBB Charity seal holder that fails to meet the BBB Charity Standards is terminated from the BBB Charity Seal program.

In addition to producing individual charity reports, a summary listing of the BBB WGA evaluations of nationally-soliciting charities appears in the *Wise Giving Guide* magazine. A weekly *Wise Giving Wednesday* online newsletter addresses various charity accountability issues. BBB WGA produces the *Give.org Donor Trust Report* which is an annual review of trust and giving attitudes that involves an online survey of over 2,100 adults in the United States and 1,000 in Canada.

Other Programs include: the *Heart of Giving Podcast* which involves a series of detailed discussions with charity sector leaders on the motivations behind why people give and other charity-related topics; the GiveSafely.io donation platform for BBB Accredited Charities which seeks to protect donors' personal data by the use of blockchain and enable donors to donate cryptocurrency; and the Advancing Collaboration project which encourages charities to seek out new partnerships as a way to grow larger audiences and share risk.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), whereby revenue is recognized when the performance obligation is met and expenses are recognized when incurred.

Accounts Receivables

BBB WGA grants trade credit to its members and others. Receivables are recorded in the period when the BBB WGA's right to consideration is unconditional and are valued at management's estimate of the amount that will ultimately be collected. An allowance for credit losses is recorded using estimates and assumptions based on specific identification of uncollectible accounts, the BBB WGA's historical collection experience and current economic factors which, in management's judgment, could influence

BBB WISE GIVING ALLIANCE
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2024 and 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivables (Continued)

the ability of account receivable recipients to repay the amounts in accordance with the credit terms. Changes in the allowance for credit loss on receivables are recorded as credit loss (recovery) on the statements of activities. Recoveries of receivables previously written off are recorded in revenue when received. The allowance for credit losses was \$7,953 and \$16,500, respectively as of December 31, 2024 and 2023.

Investments

Investments with readily determinable fair values are recorded at fair value. Net investment return/(loss) is reported in the statement of activities in the period earned and consists of interest and dividend income, realized and unrealized capital gains and losses, less investment management fees.

Equipment and Software

Equipment and software are stated at cost. Individual purchases and improvements of \$5,000 or more, which prolong the useful life of an asset, are capitalized, while expenditures for small items, maintenance, and minor repairs are expensed as incurred. When assets are sold or otherwise disposed of, the cost of the asset and related accumulated depreciation or amortization are removed from the accounts and any resulting gain or loss is included in the statements of activities. Depreciation and amortization are calculated using the straight-line method over the assets useful lives ranging from three-to-five years.

Net Assets

Net assets, revenue, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets available for use in general operations and not subject to donor (or grantor) imposed restrictions. Their use may be limited in other respects, such as by Board designation.

Net assets with donor restrictions - Net assets subject to donor (or grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. BBB WGA reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Donor-imposed restrictions are released when a restriction expires, that

BBB WISE GIVING ALLIANCE
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2024 and 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Assets (Continued)

is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. As of December 31, 2024 and 2023, BBB WGA had net assets with donor restrictions totaling \$100,000 and \$-0-, respectively. The net assets with donor restrictions at December 31, 2024, are restricted for time.

Revenue Recognition

Revenue includes line items that have performance obligations such as seal licensing fees and publications and line items representing support such as contributions and grants.

Charity Seal License Fees

Charity seal license fees are reported at the amount that reflects the consideration BBB WGA expects to receive in exchange for the services provided. Charity seal license fees are based on anniversary date and exclusive benefits are provided continuously over the course of the license period. Revenue is recognized on a straight-line basis over the one-year term. Charity seal license fees received in advance of the license period are reported as contract liabilities.

Contributions and Grants

Unconditional contributions and grants are recognized when received. Conditional promises to give, that is, those contributions or grants with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

Publications

BBB WGA produces magazines three times per year. Publications are reported at the amount that reflects the consideration BBB WGA expects to receive in exchange of the product provided. These publications are recognized as revenue at a point in time when the sale occurs.

Functional Expenses

The costs of providing various programs and supporting services are summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited on the basis of time records and other support, or by estimates made by management. The financial statements report certain categories of expenses that are attributable to one or more program or supporting functions of BBB WGA. Those expenses include professional services, information technology services, marketing services, depreciation and occupancy expenses. All such costs are allocated based on estimates of time and specific utilization.

BBB WISE GIVING ALLIANCE
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2024 and 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

BBB WGA is exempt from federal and state income taxes (except taxes on unrelated business income) under Section 501(c)(3) of the Internal Revenue Code. No provision for income taxes is required for the years ended December 31, 2024 or 2023 since BBB WGA had no taxable income from unrelated business activities.

The income tax positions taken by BBB WGA for any years open under the various statutes of limitations are that BBB WGA continues to be exempt from income taxes and that they have properly reported unrelated business income that is subject to income taxes. BBB WGA believes that there are no tax positions taken or expected to be taken that would significantly increase unrecognized tax liabilities within 12 months of the reporting date. None of BBB WGA's federal or state income tax returns are currently under examination.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

NOTE 3 - FAIR VALUE MEASUREMENTS AND DISCLOSURES

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to the unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- *Level 1:* Unadjusted quoted prices in active markets for identical assets or liabilities that are accessible at the measurement date (such as stock quotes).
- *Level 2:* Inputs from other than quoted market prices included in Level 1 that are observable for the asset or liability, either directly or indirectly (such as yield curves or other market data).
- *Level 3:* Unobservable inputs which reflect the reporting entity's assessment of the assumptions that market participants would use in pricing the asset or liability including assumptions about risk, such as bid/ask spreads and liquidity discounts.

All assets have been valued using a market approach. There were no changes in the valuation techniques during the current year.

BBB WISE GIVING ALLIANCE
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2024 and 2023

NOTE 3 - FAIR VALUE MEASUREMENTS AND DISCLOSURES (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value.

U.S. Treasury Money Market Funds

BBB WGA invests in various U.S. Treasury money market funds, valued using quoted market prices.

The following are the major categories of assets measured at fair value on a recurring basis during the years ended December 31, 2024 and 2023:

	2024	
	Level 1	Total
Investments:		
U.S. Treasury Money Market Fund	\$ 942,228	\$ 942,228
Deferred Compensation Plan:		
U.S. Treasury Money Market Fund	138,108	138,108
Total assets measured at fair value	<u>\$ 1,080,336</u>	<u>\$ 1,080,336</u>
	2023	
	Level 1	Total
Investments:		
U.S. Treasury Money Market Fund	\$ 900,000	\$ 900,000
Deferred Compensation Plan:		
U.S. Treasury Money Market Fund	47,461	47,461
Total assets measured at fair value	<u>\$ 947,461</u>	<u>\$ 947,461</u>

NOTE 4 - EQUIPMENT AND SOFTWARE

The cost of equipment and software and the related accumulated depreciation and amortization consisted of the following at December 31:

	2024	2023
Equipment and software	\$ 600,876	\$ 480,055
Less, accumulated depreciation and amortization	<u>(480,055)</u>	<u>(480,055)</u>
Net value of equipment and software	<u>\$ 120,821</u>	<u>\$ -</u>

Depreciation and amortization expense totaled \$-0- and \$22,855 for the years ended December 31, 2024 and 2023, respectively.

BBB WISE GIVING ALLIANCE
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2024 and 2023

NOTE 5 - RETIREMENT PLANS

Defined Contribution Retirement Plan

BBB WGA sponsors a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC), that covers all employees who completed six months of service. Employees are immediately vested in deferred salary and employer matching contributions. Employer matching contributions are grouped with salaries and benefits in the Statements of Functional Expenses and total \$96,497 and \$76,330 for the years ended December 31, 2024 and 2023, respectively.

Deferred Compensation Plan

Effective June 1, 2021, BBB WGA adopted a Section 457(f) deferred compensation plan for certain members of executive management, as designated by the Board. The Board also specifies the contribution types, levels and vesting terms that apply for the individual plan participants. The plan was amended and restated effective December 8, 2021, to permit participant-directed investment of account balances and make certain other changes.

As of December 31, 2024 and 2023, the 457(f) Plan assets held by BBB WGA totaled \$138,108 and \$47,461, respectively. The Plan assets are invested in U.S. Treasury money market funds held and managed by Fidelity Investments. The corresponding liability reflected in the Statements of Financial Position was \$138,108 and \$47,461 as of December 31, 2024 and 2023, respectively.

BBB WGA's contributions to the 457(f) Plan totaled \$50,000 and \$60,000 for the years ended December 31, 2024 and 2023, respectively, and are included in salaries and benefits in the Statements of Functional Expenses.

NOTE 6 - OFFICE SPACE HOTELING ARRANGEMENT

On December 27, 2023, BBB WGA renegotiated the office service agreement for another two-year term. The agreement is effective January 1, 2024 through December 31, 2025 and provides for 8 hours monthly conference room use, including the provided furnishings and technology solutions. According to the terms of the agreement, the hoteling arrangement is a license agreement and creates no tenancy interest, leasehold estate or other real property interest with respect to the accommodation nor a relationship of landlord and tenant between the parties. Even though the agreement lists the specific office space allocated for BBB WGA's use, the space provider may allocate a different office of equal size from time to time with at least a 30 days' notice to BBB WGA. In the event the center where the office space is located is no longer available, the space provider would provide suitable alternative accommodations for BBB WGA at another center, or the agreement may be terminated with no penalties or other obligations. The monthly occupancy expense for the year ended December 31, 2024 is \$4,208.

For the years ended December 31, 2024 and 2023, the occupancy expense totaled \$50,576 and \$49,133, respectively.

NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2024 and 2023

NOTE 7 - CONCENTRATIONS, RISKS AND UNCERTAINTIES

Credit Risk

BBB WGA maintains its cash balances at a financial institution and at times these balances may exceed the federal insured limits. BBB WGA has not experienced any losses with respect to its bank balances in excess of government provided insurance and management believes there is no significant concentration of credit risk as a result of maintaining these accounts. Non-interest and interest-bearing accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000.

Commitments

In the course of normal business operations, BBB WGA is faced with routine legal matters. In the opinion of management, all matters are adequately covered by insurance, or the costs have been accrued.

Paycheck Protection Program (PPP)

According to the rules of the Small Business Administration (SBA), BBB WGA is required to retain PPP loan documentation for six years after the date the loan is forgiven or repaid in full, and permit authorized representatives of the SBA, including representatives of its Office of Inspector General, to access such files upon request. Should the SBA conduct such a review and reject all or some of the BBB WGA's judgments pertaining to satisfying PPP loan eligibility or forgiveness conditions, BBB WGA may be required to adjust previously reported amounts and disclosures in the financial statements.

NOTE 8 - LIQUIDITY

BBB WGA's financial assets available for general expenditures consisted of the following at December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Cash	\$ 296,254	\$ 610,377
Investments	942,228	900,000
Accounts receivable	10,481	51,383
Pledge receivable	<u>100,000</u>	<u>-</u>
Total financial assets available to management for general expenditures within one year	<u>\$ 1,348,963</u>	<u>\$ 1,561,760</u>

As part of BBB WGA's liquidity management, BBB WGA has a policy to structure its financial assets to be available and liquid as its obligations become due. BBB WGA has no debt in the Statements of Financial Position as of December 31, 2024 and 2023 and typically pays its obligations using cash. As of December 31, 2024 and 2023, BBB WGA had financial assets equal to approximately nine months of operating expenses, respectively.
